**Cancellations and Refunds**

Once the course has begun no refunds are given for cancellation of enrollment. Tuition must be received at least seven(7) days prior to the beginning of the training. If tuition has been paid and a student needs to cancel, the school must receive a letter in writing notifying this need at least five(5) days prior to the start date to receive a refund. A full refund will be issued minus a \$100 administrative fee. The contract cannot be suspended or put on hold. In the event of an emergency during the training, a student will be allowed the opportunity to “make up” the missed dates at a future training session. If the student would like to “make up” hours prior to the following training to receive certification they may do so in private at NYC’s hourly rate(\$125 per hour). If you sign up for the 200 hours and are unable to complete your hours you can make it up in future trainings. This policy is in place to ensure continuity of development of the individual.

**Cancellation of Classes**

The school reserves the right to cancel a starting class if the number of students enrolling is insufficient. Such a cancellation will entitle the student to either a full or partial refund or a credit for a future training assessed on a person by person basis.
